## NEWSLETTER

*Seek the Truth*

2nd April 2014

### From the Principal's Desk

#### Welcome

Welcome to the final edition of the newsletter for term 1. It has been an extremely busy term that has seen students achieve success in the academic, vocational, sporting and cultural fields. It pleases me greatly to see so many of our students stepping up and doing themselves, their families, their community and their school, proud.

#### Attendance

I am delighted to report that our whole-school attendance for the term is slightly above 92%. This is the strongest term 1 attendance the school has achieved for many, many years. I encourage all students and their parents and carers to carefully think about attendance and the impact it can have on overall achievement. If a student has one day off per fortnight, that adds up to four entire weeks off school in a year. Even the most talented of student will struggle to achieve their best if they miss that much school. Attendance = best chance of achieving your best; simple as that. As you can see though, the vast majority of students are doing the right thing and making their school attendance a priority. Well done!

#### Parent-Teacher Interviews

While we are on the topic of great news and records... In the five years I have been at this school, I have never seen so many parents and carers in attendance as there were at our recent Parent-Teacher Interview Evening. This was absolutely wonderful to see. These interviews are the BEST way for students and their families to receive meaningful feedback about how results can be improved. Thank you for your support.

#### Aerosols

I included this information in the previous edition of the newsletter and I am going to go over it again as there have been further incidents at our school (involving) two students that have resulted in 000 calls to the ambulance and hospitalization. This is an issue we take very seriously and I ask for the support of all students, parents and caregivers in keeping our school aerosol free.

Aerosols are unsafe in a school environment for many reasons and as a result have been banned for several years at Dalby State High School. The following is an extract from our Responsible Behaviour Plan, which can be found on the school website:

*Prohibited items may include, but are not limited to, the following: aerosol cans, chewing gum, illicit substances, objects that may be used to intentionally cause harm, explicit images.*

#### Year 7 Building

The new Year 7 building is in its final stages of construction and should be ready for use within weeks. It will be wonderful to have access to a state of the art learning space. The building will be primarily used for Year 7 students in 2015 but other grades will also spend time there.

#### School Holidays and Student Free Days

Just a reminder that there will be no Student Free Day in term 2 this year. School resumes for all students on **Tuesday, 22 April 2014.**

#### Until Next Term

Thank you to all students for your behaviour and work effort this term. Thank you to all school staff for your ongoing commitment. Thank you to all parents and community members for your support and encouragement. Please enjoy your break and I look forward to seeing you next term.

*Dr Dean Russell  
Principal*

## YEAR 11

We have already reached the end of term 1. It has been a big and busy start to the year. The Year 11 cohort has worked very hard to cope with the massive work load increase this year. It is early days though, so they must make sure they are keeping up with study and assessment. At the end of term they should be studying especially hard... some of them told me they had seven exams last week! Considering this, they are working really well. During Pastoral Care this term, we have been working through specific study skills and making sure they are prepared for exams and assessment. Having a 'to-do' list or a study timetable will be so helpful for all students. This will enable them to be prepared and less stressed at a very stressful time.

Speaking of stress, camp preparations are going well! Camp will take place from the 5<sup>th</sup> to the 9<sup>th</sup> of May, week 3, term 2. Students need to be aware that this is a very busy time. They have assessment due in week 2; some of them also have Geography camp at the end of week two and then the musical performance will be during week 4, the week after they return from camp. It is a massive start to the term. Please keep an eye on your students to make sure they are coping with their school work at this busy time.

Well done to all students who have been going to representative sport over this term. There are some very successful sportspeople in this grade. Also, congratulations to all students who helped out for various student council initiatives throughout this term. The Social, red food days, handing out water at the Dalby triathlon are all great events and those of you who came and helped out - your contribution does not go unnoticed.

Year 11 is a very stressful time, but I encourage students in Year 11 to continue to get involved in all of the extra activities this school has to offer. Keep on top of your study, homework and assignments as well.

### Cattle Showing

On the 15<sup>th</sup> of March, Dalby State High School was proudly represented by our largest Cattle Showing Team yet at the Oakey Show. The day was a big one starting in the early hours of the morning and not returning until early in the evening however the students handled it beautifully and were acknowledged in the following email from a parent and Chief Steward at the show:

*I wish to take this opportunity to congratulate the members of the cattle show team on their efforts & achievements at the Oakey show. Considering this was the first show for the 2014 team, their organisation, efforts & ability as a team were outstanding. The way the students presented the cattle, conducted themselves & represented the school are all very commendable. These comments were also shared by many of the show sponsors & committee during the course of the day. Dalby should be very proud to have such a confident & capable team. Congratulations once again to all the team.*

*Belinda Hess*  
Chief steward stud cattle Oakey show.

They truly did the school proud in both the way they conducted themselves and their achievements. I would like to congratulate all the students and organisers.

*Kate Masson*  
Acting Head of Residential Campus

### AG NEWS

The Year 10, 11 and 12 students in our certificate courses have been focussing on working with cattle and sheep, and developing the Horticulture area over the last month. They have gained many skills that align with their Certificate II in Agriculture namely learning how to weigh animals, working with livestock in the yards and developing the fencing for the vines. The students have not only been involved in the practical side of these skills but have also had to learn to plan their activities and work as a team through effective communication skills to achieve a desired outcome.

*Kate Masson*  
Acting Head of Residential Campus

### Year 8 & 10 Immunisation Dates

Immunisations will take place at school for those students who have returned consent forms.

Round Two: 28<sup>th</sup> and 29<sup>th</sup> of May

Round Three: 8<sup>th</sup> and 9<sup>th</sup> of October

### P & C News

The Annual General Meeting of the P & C was held on 4th March with the following members successful in gaining positions on the Executive Committee -

President: Colleen Rasmussen  
Vice Presidents: Karen Marini, Janet Ash, Peter Shannon  
Treasurer: Sharon McEvoy

Thank you to all who gave up their time to attend the AGM followed by the General Meeting.

Congratulations to all staff and students involved in swimming carnivals, district sports trials, musical auditions and now rehearsals, band practice, Youth of the Year and Student Council activities and planning, and the list goes on. Our school is a hive of activity that benefits and enriches the experiences for our students and staff and wider community.

Assistance will be needed at the Hall Canteen during the upcoming musical performances and Eisteddfod. If you can assist at any time please contact the school office.

A vacancy exists on our Resource Committee. The committee meets once or twice each year. A finance background would be helpful. If you are interested in this position, please contact the school office.

All are welcome at our next P & C meeting to be held on Tuesday, 6th May at 5:30pm. It is an ideal time to become more involved in our School community. Do take the opportunity to support your students.

### SCHOOL MAGAZINE

The school magazine for 2013 is available for sale from the office for \$22. This full colour magazine is a lasting memento of the school year.

## SOSE Department

**Years 8-10 SOSE:** 2014 has seen many changes to our SOSE curriculum. As many parents are already aware, students from Years 8 to 10 will be studying a semester of History and a semester of Geography. Within this two disciplines, students will also study elements of Legal Studies, Civics and Economics.

In Year 8, students have studied: Deserts or Medieval History (and begun Shogunate Japan)

In Year 9, students have studied: Biomes & Food Security or Movement of Peoples (and begun Making a Nation – early Australian history.)

In Year 10, students have studied: Wellbeing or World War II (and begun Apartheid.)

\*9H will be re-grouping this week. They will be continuing their SOSE study, with a focus on Geography with Miss McEwan.

**Assessment Calendar Amendment:** Due to unforeseeable clashes, the following changes have been made to assessment due dates:

Year 10 History - Research Assignment is due week beginning **5<sup>th</sup> May 2014.**

Year 11 Legal Studies - Extended Research Response is due week beginning **16<sup>th</sup> June 2014.**

**Senior Geography Excursion:** Students have received letters with advice on the upcoming Geography excursion to the Sunshine Coast on the 1<sup>st</sup> and 2<sup>nd</sup> of May. This excursion will provide the basis of a field report focusing on sustaining biodiversity. This field trip also allows students to enhance their understanding of geographical patterns and systems. It would be greatly appreciated if the permission slip, medical form and payment for this excursion could be returned by Thursday 18<sup>th</sup> April.

**SOSE Tutorial:** Every Monday morning the SOSE department opens the Support Space for students to utilise. Students can use this time to work on homework, assessment or generally get assistance with their schooling. We are fortunate that this space is supported by Arrow Energy, who provide breakfast for the students that attend these tutorial times.

Rhianna Commens  
Head of Department (SOSE & LOTE)

## INSTRUMENTAL MUSIC NEWS

Can you believe first term is nearly gone already? As most of you would be aware, we are going on tour again this year. The preparations for this are underway and we will be having a meeting about the tour on **Tuesday May 6th after our band rehearsal from 5.00pm.** While I may not have all details for the trip at this meeting, I will be able to give you an idea of prices and a rough itinerary at this meeting so I would appreciate full attendance at this meeting if you have any intention of your child attending this trip to Melbourne.

The DSHS ANZAC service will take place on Monday April 29th and we will be performing the National Anthem at this. Students will need to be in formal uniform.

This year we are not performing at the Biggest Morning Tea as the date is the same as one of the technical rehearsals for the musical. I will be required at the rehearsal and many instrumental students will also be in attendance. If anyone is wishing to attend however, it is taking place on May 4th at Jimbour House from 11.00am.

Fanfare is taking place on Wednesday June 4th in Chinchilla. We are busily preparing for this at the moment. Both Concert and Stage Bands will be competing. All students will be expected to attend and a bus will be organised to take students out and return them but any interested family and friends are invited to attend. I do not have times yet.

Due to the musical being only a couple of weeks before Fanfare, I would like to have a shorter Concert Band rehearsal on the Monday of musical week (Monday May 19th) from 3.15pm until 4.15pm. There will be no rehearsal on the Tuesday of this week due to opening night the same evening. Please be aware that there may be a rehearsal on the Monday of the following week (week 6). I will inform you about this as soon as I know for certain if this is the case. If students may potentially have work on these days, I am asking that they inform employers now of their unavailability for these dates as I will expect full attendance at both these rehearsals.

We are also attending the Brisbane Ekka again this year as the school performances are back on again. This will be after the eisteddfod in Term Three so more details about this trip will come out closer to the time.

If anyone has any questions regarding any of the above, please contact me.

Katie Commens

## Dalby State High School P & C Resource Scheme Outlet

To ensure that your student has the books, classroom materials and sports activities for their study areas in 2014, join the Resource Scheme. The fees for 2014 are \$220 for Years 8 and 9 students while Year 10, 11 and 12 will be \$240.

A Security Bond of \$50 is required for each student and rolls over each year. Any queries please phone 4669 0953 or email [dalbyhighpandc@bigpond.com](mailto:dalbyhighpandc@bigpond.com).

Pay cash, credit or cheque. Eftpos is available.

Scheme membership is voluntary.

**Lockers** are also available for hire through the Resource Centre for \$40 per annum (cash or cheque only). A Locker Agreement Form must be signed by student and parent prior to hire.

### HOURS OF OPERATION

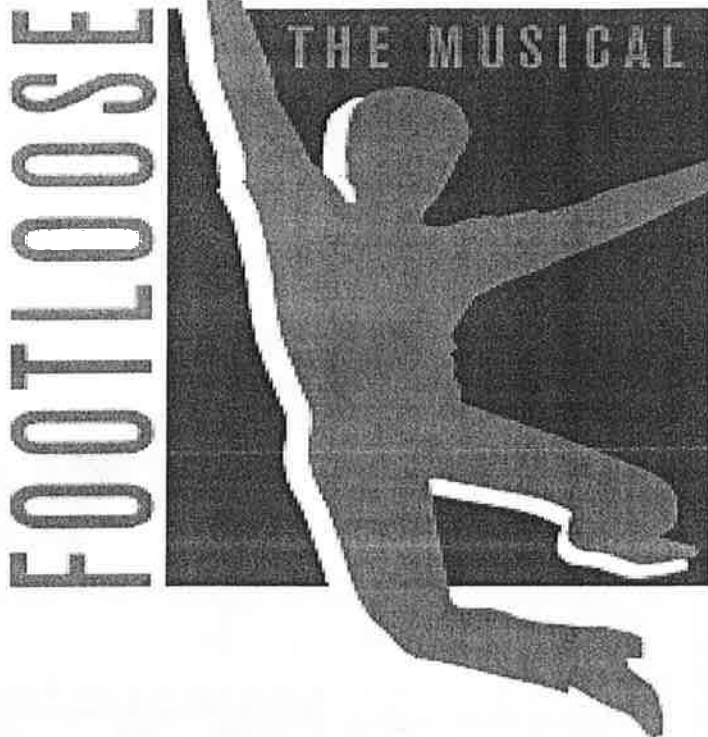

Monday to Friday – 8.30am to 2.30pm

**The Hurting Game** is a daring look at the hurtful games we sometimes play to give ourselves a false sense of power and belonging. This is an entertaining way to promote discussion about friendship, peer pressure, bullying, body image, our cyber footprint and the way we interact at school and on digital media.

The Year 8 & 9 students will be looking at these issues in Pastoral Care leading up to the presentation of the Hurting Game on the 7<sup>th</sup> of May.
