

Apollo Program Application Process

1. Navigate to **Curriculum** → **Specialist Programs** → **Apollo Program** and select the relevant application link.
2. Ensure you are logged into Microsoft using your student's EQ email address (for example, *studentname@eq.edu.au*).
3. Complete and submit the application form, including any **requested supporting documentation**.
4. Applications are reviewed as part of the Apollo Program's ongoing monitoring, selection, and reporting processes.

Application Timeline

- Applications close at the **end of Week 2, Term 4** each year.
- Applications received after this date will be placed on the **waitlist**.
- Waitlist registrations will remain open until the **end of Semester 1 of the following year**, after which no further class placement changes will be considered.

Need Assistance?

If you experience any difficulties completing the online application, please visit the school office for assistance. Hard-copy application forms are available on request.
