Innovate Ag/Trade Futures Application Form

Dalby State High's signature programs provide students with a practical pathway towards careers in both the Agriculture and Trade sectors. These programs both contain Vocational Training and require students to demonstrate competency across a range of training units. Students undertake a set course of study as outlined in the Year 11 Senior Handbook.

This application form will allow you to demonstrate your preparedness and commitment towards completion of the program and for the application panel to make informed judgements about your suitability.

Please respond to the below questions and return to your SET Plan interviewer at the time of your SET Plan.

Program Preference (please number 1 for top preference).

☐

Innovate Ag

☐

Trade Futures

Why did you choose Innovate Ag/Trade Futures Program?

What do you want to get out of the Innovate Ag/Trade Futures Program?

What is your current experience within the Agriculture or Trade sectors?

What would you say are the expectations within the program on your effort, behaviour and ability to follow instructions?

Do you current Effort, Behaviour and ability to follow instructions match up with the above expectations, how?

You will be required to formulate a response to the below question and provide this response to the panel should you reach the interview stage of the signature program application process.

Please outline to the Application Panel a situation you have encountered within your experience in Agriculture/Trade and what steps you performed to overcome that challenge, demonstrating leadership, team work and communication.
