Jewellery

Apart from a wristwatch, medic-alert bracelets and a maximum of three sets of sleepers or studs (standard, initial piercing size) in pierced ears, it is not acceptable to wear jewellery to school. Large 'spacer' style studs are strictly prohibited. The wearing of jewellery presents a safety concern for students undertaking activities in many subjects. Students may own special items of jewellery of significant personal or cultural importance, but most obtain permission to wear these to school. Consent to wear these items may be granted by making a request, in writing, to the Principal.

Small clear or flesh coloured studs can be worn as a facial piercing at school but need to be completely covered during sporting or other activities where there may be a risk, as determined by the supervising teacher. All other visible piercings are not permitted. If a student insists on wearing piercings they must be completely covered at all times while at school.

The Dalby State High School Parents' & Citizens' Association endorses the Principal or a Deputy Principal to have the final say as to whether or not the manner in which a student presents in uniform at school is in line with these guidelines.

The following pictures provide guidelines for appropriate Formal and Sports shoes. If you have any doubts regarding whether or not a certain type of shoe is permissible at school, please contact the school office before you purchase them.
