School overview

Established in 1954, Dalby State High School currently has over 1,000 students, including 70 boarders. Staff at both of the school's campuses (Nicholson & Bunya) work closely together to deliver a unique learning experience to all students. Dalby State High School is recognised as one of Queensland's most innovative and progressive secondary schools. This reputation comes from a stimulating, well-ordered, safe and supportive environment, with a dynamic curriculum that produces quality student outcomes. Dalby State High School prides itself on key signature programs including the Apollo Academies for high achievers (including a recently launched STEM – Science, Technology, Engineering & Maths – Academy), Trade Futures Program, Innovate Agriculture Program, Sporting Excellence Program, Instrumental Music and School Musical.

Students at Dalby State High School learn in a setting renewed by a \$8 Million facilities investment over the last ten years, including a Trade Training Centre, Languages Centre, Three new General Learning buildings, new Special Education building, Science Block upgrade and a new Dramatic Arts space. In 2011 Dalby State High School acquired management of the former Australian Agricultural College Corporation (AACC) site as a second campus (Bunya Campus). This provided students with access to all resources and facilities at the site, including the largest school farm in Queensland, Sporting Venues, 25 Metre Swimming Pool and Educational Facilities. Another highlight has been the management of the existing residential facility, making Dalby State High School a provider of a high-quality boarding experience.

In 2018, Dalby State High School was recognized with three significant awards: Education Queensland Showcase Award for Rural and Remote Education - State Winner Dalby Chamber Business Excellence Awards - Education, Employment & Training Judge's Choice Award Dalby Chamber Business Excellence Awards - Business of the Year

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism. The school uses the electronic IDATTEND system to record and monitor student absences. Members of the school office staff, administration team, guidance officer and year coordinators work together to monitor student absences and support students who are having difficulties in attending school. A full-time Attendance Officer was implemented at the school in 2017.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2018	2019	2020
Short Suspension	320	357	270
Long Suspension	24	37	15
Exclusion	7	2	10
Cancellation	9	10	11
Total	360	406	306

Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to previous years.

The new system has redeveloped senior syllabuses, strengthened school-based assessment, introduced a common external assessment in each senior General subject area and General (extension) and replaced the OP rank with the Australian Tertiary Admission Rank (ATAR). This represents a break in time-series for the Queensland Certificate of Education.
2. ATARs are calculated by Queensland Tertiary Admissions Centre (QTAC). ATAR data is not held by the department.
3. Prior to 2020, visa students (students who are not Australian citizens or permanent residents of Australia) were excluded. From 2020 visa students are included.
