Established in 1954, Dalby State High School currently has over 1,000 students, including 70 boarders. Staff at both of the school's campuses (Nicholson & Bunya) work closely together to deliver a unique learning experience to all students. Dalby State High School is recognised as one of Queensland's most innovative and progressive secondary schools. This reputation comes from a stimulating, well-ordered, safe and supportive environment, with a dynamic curriculum that produces quality student outcomes. Dalby State High School prides itself on key signature programs including the Apollo Academies for high achievers (including a recently launched STEM – Science, Technology, Engineering & Maths – Academy), Trade Futures Program, Innovate Agriculture Program, Sporting Excellence Program, Instrumental Music and School Musical.

Students at Dalby State High School learn in a setting renewed by a \$8 Million facilities investment over the last ten years, including a Trade Training Centre, Languages Centre, Three new General Learning buildings, new Special Education building, Science Block upgrade and a new Dramatic Arts space. In 2011 Dalby State High School acquired management of the former Australian Agricultural College Corporation (AACC) site as a second campus (Bunya Campus). This provided students with access to all resources and facilities at the site, including the largest school farm in Queensland, Sporting Venues, 25 Metre Swimming Pool and Educational Facilities. Another highlight has been the management of the existing residential facility, making Dalby State High School a provider of a high-quality boarding experience.

In 2018, Dalby State High School was recognized with three significant awards: Education Queensland Showcase Award for Rural and Remote Education - State Winner Dalby Chamber Business Excellence Awards - Education, Employment & Training Judge's Choice Award Dalby Chamber Business Excellence Awards - Business of the Year

Our school vision is **'Creating the Future; every student, every day'**. This vision is enacted through the school values of Positive Relationships, Student Diversity, Multiple Pathways and Teacher Excellence. These values are reflected in all student relationships with the school, their family, the community and the environment. Our ethos and enrolment numbers allow every student to participate, contribute and be involved.

Come and join us at Dalby State High School; a proud Queensland State School.

## Social climate

---

### Respectful relationships education

To support students' learning, health and wellbeing all state schools are required to implement respectful relationships education through the Prep to Year 10 Australian Curriculum: Health and Physical Education and/or through school pastoral care programs across Prep to Year 12.

### Parent, student and staff satisfaction

Tables 3–5 show selected items from the Parent/Caregiver, Student and Staff School Opinion Surveys. In response to the COVID-19 health emergency, the annual school opinion surveys of students, teachers and staff were not administered in 2020. A new time series started in 2021 and data from this collection is not considered directly comparable with earlier collections due to significant methodology changes.

For state level information go to the [School Opinion Survey webpage](#).

## Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

## School disciplinary absences

**Table 6: Count of school disciplinary absences at this school**

Type of school disciplinary absence	2019	2020	2021
Short suspension	357	270	305
Long suspension	37	15	18
Exclusion	2	10	7
Cancellation	10	11	12
Total	406	306	342

#### Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to other years.

### Notes

1. The 2020 cohort was the first to complete Year 12 under the new senior assessment and tertiary entrance system. The new system has redeveloped senior syllabuses, strengthened school-based assessment, introduced a common external assessment in each senior General subject area and General (extension) and replaced the OP rank with the Australian Tertiary Admission Rank (ATAR). This represents a break in time-series for the Queensland Certificate of Education.
2. ATARs are calculated by Queensland Tertiary Admissions Centre (QTAC). ATAR data is not held by the department.
3. Prior to 2020, visa students (students who are not Australian citizens or permanent residents of Australia) were excluded. From 2020 visa students are included.
4. Data for each year is the latest available.

## Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

### Early school leavers

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

### Next Step – Post-school destinations

The results of the 2022 *Next Step* post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2021), will be uploaded to this school's website in September 2022.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.
